I enjoyed this simple game that took me 3 hours to complete. Kept you guessing!. MUCH shorter than the first!
I was surprised, but it was obvious that the developers ran out of plot twists or maybe employees?
In any case, if one was to play straight through, it would only take around 1 1/2 to 2 hours. I took frequent breaks and took my time as well...
(The first game was about twice in length, and felt more satisfying and indeed , more challenging.)
I enjoyed,"The Perfect Murder" but felt so much more was probably intended, both in game play and plot.
It wrapped up
in an abrupt manner too....
So approach with caution.... Chilly, noice.. Chilly, noice.. MUCH shorter than the first!
